

Speech Team Practice Schedule for 3.23.2015 through 4.10.2015

Expectations:

1. Students who are competing at Sections must practice twice during the week.

- Once with a coach
- Once with a guest coach

Ideally, mix it up. If you normally practice with Lyke and Nieland, find time to practice with Ashley. If one week you practice with Guest Coach Scott Lyke, the next week practice with a different guest coach.

2. These are drop in practices, so you can't expect to simply walk in and begin practicing. You may have to wait.

3. Students may opt to practice more than twice, but respect those who've not yet had a chance to practice.

Discussion and Extemp. Speaking:
your practices are a not "drop in" during the week of 3.23.15-3.27.15; rather, they are scheduled for you. See the schedule for specific times/locations.
